North Carolina Synod Meets Here Next Month

Large Preparations Are Necessary to Entertain Supporting Body on Sept. 23-24

Convening of Ministers and Elders in 128th Annual Stated Session Will Be Preceded by Conference on Home Missions.

SOME IDEA OF FOOD CONSUMPTION GIVEN

Quadrangle of Cottages, Woman's Building and Jennie Gilmer to Be Used in Housing Commissioners

The Presbyterian Orphans' Home has set itself a tremendous task this fall, and that will be the entertaining of the Synod of North Carolina when it assembles for its 128th stated annual session on September 23rd. Immediately prior to the official convening of this supporting body will be a special home mission conference, which will open on Monday and which will continue until Synod officially gathers on the night of September 23rd.

Five years ago the Home here was a joint entertainer of Synod with Mitchell College and the First Presbyterian Church in Statesville. The meetings were held in Statesville, some of the commissioners were housed in private Statesville homes, some at Mitchell College and others at Barium Springs. All of the meals were served here. This time, however, it is the sole undertaking of the Presbyterian Orphans' Home, with the ministers and elders to be housed here, fed here and have their meetings here.

This is part of the semi-centennial celebration of this Home, and it was felt that it was especially appropriate that Synod come to Barium Springs for its 1941 sessions. The meeting was originally set for September 9th, but it was later changed to September 23rd to avoid conflicts with various college openings. The changed date was agreeable with authorities here. In former years Synod generally had to meet before the fall convening of colleges, for they were guests of the latter to a large extent. In the case of Barium Springs, the children are always here, regardless of the time that is set. The change was therefore acceptable.

What makes it possible to take care of such a large body is the completion of a quadrangle of four cottages here this summer and the construction of Camp Fellowship on the Catawba river - a camp that can be utilized in emergency if it is necessary for some of the children to spend the night at the

First Thanksgiving Offering Is Received

The first 1941 Thanksgiving Offering reached Barium Springs in August. This was a $5.00 Thanksgiving remembrance that has been sent to the Home here by the ladies in the Woman's Auxiliary of Rocky River Church. To that organization, therefore, goes the distinction of being the first one - either organization or individual - in North Carolina to send a 1941 Thanksgiving donation to the Presbyterian Orphans' Home.

If some other organizations want to take an early Thanksgiving Offering or if the same feeling exists in the hearts of individuals, no objections will be raised at Barium. With a small summer-time income any special donations are most cordially welcomed here. If you are an individual in some church and want your church to have credit for your donation, so designate it on the check or in your letter and that wish will be carried out.

Synodical to Visit Barium on Oct. 21st

Elsewhere in The Messenger is an article about the impending meeting of the North Carolina Synod at Barium Springs. It is also revealed in the column "Synodical Orphanage Work Secretary Says" that the ladies of the Woman's Auxiliary of the Synod will honor Barium Springs with a visit

The 27th bedroom to be furnished in the new cottages at Barium Springs was taken in August leaving but a single room that is yet to be assigned to someone who wants to give $100.00 for this purpose as a private gift or in memory of someone.

In August a letter was received from the family of the late Miss Kate McGoogan, who was a teacher and matron here, saying that the family wanted to do something in memory of Miss McGoogan. The writer said that if a bedroom was still available to consider it taken and that a check for $100.00 would be sent. One of the two bedrooms left was immediately assigned.

No doubt the last $100.00 room will be written for before the September copy of The Messenger is issued.

Another Year Passes With No Deaths Here

No Deaths Since June, 1933, And Only One Since July, 1926, Is the Record

It might be said that July is something of an anniversary health period; or, it might be argued that June is more appropriately such. Anyway, another year has gone by without a fatality, either by accident or illness, occurring in the family at Barium Springs and that means that there has been only one death since July of 1926 and no deaths at all since June of 1933. You can take your choice as to whether July or June should be looked upon as the anniversary period. Above is the record, whatever you choose.

A recounting of this in The Barium Messenger is not done with an attitude of braggadocio, but it is being recorded because it is felt that the supporters of this Home will be glad to know that another year has passed in which the Heavenly Father has kindly and tenderly watched over the health of these boys and girls at Barium. This record is one to prompt thankfulness to God that

Orphanage Work Secretary Says:

Greetings to the Women of N. C. Synodical Auxiliary:

Doubtness you are greatly interested in our new building at Barium Springs. You have given the money that made it possible. You had vision to see a real need. And you showed a wonderful spirit of loving generosity when the appeal was made to you by your Orphanage Work Secretaries.

From time to time through the past months you have seen reports of progress in the work of building the group of four cottages for boys - composing a quadrangle. The Messenger has told us of the work under way. One of these four cottages is ours. Our gift to Barium Springs. This, along with the other three, stands as a proof of the love and loyalty of friends of the Orphanage.

Today, our building is complete and is occupied by a group of very happy boys. I am delighted to tell you that it is a well planned, well constructed, convenient and attractive home. One in which any boy might take real pride. I hope that when you see the finished building, attractively furnished and so well equipped in every detail, you will

School Opening Set for Thursday, Aug. 28

Three New Faculty Members Are Announced to Replace Three Who Resigned

The school bell will soon be ringing at Barium Springs, for the official opening of the 1941-1942 scholastic session will be on Thursday, August 28th, according to an announcement which has been made by R. G. Calhoun, superintendent of the schools here. The boys and girls at Barium Springs always start their scholastic year earlier than most places but they also finish up their eight months before those that start two weeks later.

Mr. Calhoun also announced the names of three new members of the teaching faculty. These will be Homer Keever, of this county, who will teach English and French in the high school; Miss Annie Culbreth Gaitley, of Red Springs, who will be in charge of Home Economics, and Miss Mary Stewart McGoogan, of Saint Pauls, who will be in charge of the second grade and teach music in the grammar schools.

Mr. Keever replaces Leroy Sossamon, who resigned to go into buisness; Miss Gaitley replaces Miss Dolores Hunsucker, who resigned to accept county demonstration work, and Miss McGoogan replaces Miss Elizabeth McKethan, who resigned and was married early in the spring. Miss McKethan had taught the third grade but Miss McGoogan will be in charge of the second. Miss Brandon, formerly second grade instructor, will have the third grade this year.

In addition to his English and French teaching, Mr. Keever will also have charge of the library. He is a Duke University graduate and has a master's degree from that institution. He has had nine years of experience in teaching, having spent the past five years at Union Grove school in Iredell

Good News

Two other Sunday Schools have joined the ranks of those organizations following a regular and systematic plan of aiding the Home at Barium Springs.

Tabernacle Sunday School has not officially notified officials of the inclusion of the Offering-per-month plan, but this is deduced because $3.00 sums were welcomed in the successive months of June and July. This would indicate that this Sunday School is now among the "once-a-monthers".

Springwood Sunday School in Orange Presbytery has voted to send the offering of the first Sunday in each quarter. Some several years ago this Sunday School had a regular plan of aiding this work, but was discontinued for a while. A definite plan has now been re-instated.

New Cottages Were Occupied on July 22nd

That Was An Important Date in the Life Here. - Visitors Are Pleased

The date of July 22nd was a most important one at Barium Springs, though that day arrived and passed without any great amount of fanfare. That was the day that the quadrangle of cottages built at Barium Springs this spring and summer were occupied by the boys. That was a day that had been anticipated for many, many years, and with the completion and occupancy of the new buildings a long-talked about and hoped-for dream was realized.

There was not such a great amount of moving to be done, for this consisted only of personal belongings of the boys, since the new cottages had nothing but new equipment and furniture in them - new beds, dressers, chairs, living room furniture, mattresses, shades, etc. A few other items have been trickling in to the buildings and new tables are yet to be placed in the rooms. The buildings were constructed with special sums and all of the furnishings were bought with special contributions.

Occupying the new buildings are all the high school boys. Their vacated building, Jennie Gilmer, is undergoing repairs, though some boys from Alexander and Lee's Cottage are already in it; in fact, there's an entirely new set of boys in Lee's. In the future Jennie Gilmer cottage will be known as the building where the dairy boys live.

Coming back to the cottages, though. It was also moving day for some families who are occupying the apartments in each building. Mr. and Mrs. R. E. Jackins and their little girl are in one apartment; Mr. and Mrs. Edwin K. Kyles and their little daughter are in another, and Mr.

Last Call Given For Home-Coming

This is the last call to alumni of Barium Springs to attend a summer-time Home-Coming here on Thursday, August 28th. Several articles have appeared in previous issues of The Messenger so it is not necessary to go into detail about this now.

By mid-August it was evident that there would not be a sufficient number of alumni taking their vacations in August to warrant the use of Camp Fellowship for a week, so this proposed use of the camp for the alumni did not materialize. Inquiries earlier in the year made officials think that perhaps the alumni would be able to take advantage of this offer.

News from Some of the Cottages at Barium

CANNON COTTAGE.

Well, folks, this is our version of the new cottages. We think they are the best thing that anybody could have given us at this time. They are very roomy, with very comfortable beds and chairs, and the light fixtures are as pretty as they can be.

When our cottage is filled there will be fourteen boys in it. A few boys are on their vacations, and a few college boys are occupying their rooms until they get back.

We have occupied our new buildings for nearly three weeks now and are taking good care of them. We will continue to keep them in good shape as long as we stay in them.

And so in behalf of all of the new cottages, we in Cannon Cottage, want to express our sincere thanks to all those who helped make it possible for us to be able to live in such comfortable, modernized buildings.

SYNOD'S COTTAGE

Hello Friends,

This is Synod's news hot off of the press.

About sixteen of our older boys went out to Lee's Cottage and five of the Baby Cottage boys came over here and we surely are glad to have them.

All of our boys have come back from their vacations except two or three and we all were glad for them to come back.

We have been going in swimming a lot lately and the water surely does feel good these hot days.

We all want to thank Mr. Johnston for sending us to see "Moon Over Miami".

We can hardly wait until school starts this month.

Margaret Presnell will be leaving us soon and Dewey Bell Buie is going to work over here in her place.

Our matron, Miss Taylor, has gone on her vacation this month and Mary Adams is our matron.

We will be signing off for this month.

—The Wigglers

BABY COTTAGE
First Floor

Some ladies from Concord Auxiliary were so nice to bring us some new curtains and spreads and also some candy and balloons.

Our smallest boy, Johnnie Collins, has had the chicken pox but is back with us now.

We have a new boy now. His name is Jimmie Freeman; we are glad to have him.

We had five boys to leave us and go to Synod's Cottage. They were, Buddy Maples, Mack Wicker, Dwight Reid, Cromer Curtis, and Jerry Ennis. We surely do miss them.

Mrs. O'Kelly invited us down to camp for dinner last week. We had a real good time.

We have been getting grapes, peaches and canteloupes and they surely are good.

Deryl Overcash had a visit from his mother, Perry Williams had a visit from his mother and grandfather. Some friends from First Church in Raleigh came to see Albert Clough, Mr. and Mrs. Harding.

Jerry and Billy Ennis and Ed Trawick had vacations this summer.

We went to see "Puddin' Head" Monday and we little boys enjoyed it.

Our new big girls are Pat Hooten and Betty Lou Williamson. We are glad to have them but are sorry to see Lorene Brown and May Lynn Jones leave us and go to Woman's Building.

Betty Lou Williamson is on her vacation now.

—Baby Cottage Boys

ANNIE LOUISE

Greetings, Friends!

Gertrude Bryant, Hilda Barnes, Jean Steppe, Lorene Hall and Caroline Wicker have come back home from their vacations. They had a lovely time. Elsie Vest had a lovely vacation with Mr. Milton and family in Georgia.

Mable Vinson is spending a few weeks with her father and Frances Stricklin is spending her vacation with her mother.

Clara Mangum is going to Mooresville to stay two weeks with friends.

We have seen some good pictures since we wrote last month.

We are having lots of apples, peaches and grapes.

Last night there were more than fifty blooms on Miss Lackey's night blooming cerus. This plant blooms only at night. The flowers are very beautiful and last only a few hours.

School will open the twenty-eighth of August. We surely will be glad.

We are very proud of our new cottages. They are beautiful inside and out. The boys have moved into them now.

Helen Morgan and Sarah Bradshaw have had visits from their fathers this week.

—Annie Louise Girls

INFIRMARY

Hello Folks,

Our girls have had their vacations. They visited their relatives and report a grand time.

Mr. Calhoun was back on the campus for a few days not long ago.

We were wishing everyone could have seen Miss Lackey's night-blooming cerus. One plant had fifty-two blooms on it. It was a beautiful sight and the odor was delightful from the blooms. Miss Lackey was away on her vacation and we were very sorry she didn't get to see them.

Three new children came in from Lexington. Their names are Geraldine, Joyce and Margaret Kayton. We are glad to have them.

We are having very little sickness.

The summer surely has gone by in a hurry. Vacation is almost over and it will not be long now until we will be hearing the school bell ring on August 28th which is also Home-Coming Day.

Mrs. McNatt had a visit from her son and daughter last weekend.

Until next month we remain,

—"The Little Nurses"

RUMPLE HALL

Hi Folks,

Here we are back bringing you the monthly news.

Many friends here and elsewhere deeply sympathize with Miss Lulie E. Andrews, bookkeeper and clothing secretary at Barium Springs, in the loss of her brother, Mr. T. M. Andrews, who died on July 25th at his home in Whitemire, S. C. The sympathy of the Barium people is being publickly voiced.

It is now only a few days until school starts again. And, Boy, we just can't wait.

Most of our girls have returned from their vacations and they reported a nice time.

Miss Reid and 16 of our girls are on camp this week. Nancy Parcell is our matron. We certainly are glad for her to be with us.

We went to the show last night to see "The Bride Came C. O. D." We want to thank Mr. Johnston for letting us go.

We are very glad that Miss Mary Reid is going to be a matron up here.

One of our Rumple Hall girls, Betty Davis, went home to live with her mother. We miss her very much.

We have another new girl in our cottage and are glad to have her. We know she is going to like her new home. Her name is Maggie Lou Kayton.

Well so long, until next time.

—Dorothy Maples
—Elise Ferguson

SYNODICAL COTTAGE

Our building is made up mostly of ninth grade boys and we have a few eighth graders. We like our building because of the extra space that we have and did not have in Jennie Gilmer. Also, the rooms are easier to keep neater.

Mr. Kyles' family has charge of our building. He is helped by two boys appointed as monitors.

Woot Davis had to shave his mustash off. Boy, he sure looked good with it. They say he almost tickled someone to death with the little fussy thing. Yea, I almost forgot! Grover Ingram is planning a pretty big job - at least that's what he told us. So everybody watch his steam.

We wish to express our deep gratitude and appreciation to the ladies who made it possible for us to have such a nice building to live in.

Twelve boys are in our cottage now.

BABY COTTAGE
Second Floor

Hello Friends,

Here we come again bringing you the high spots in the August news.

We wish to thank Circle 3 of the Woman's Auxiliary of the First Church, Mooresville, for the lovely picnic that they gave us Monday, Aug. 11th. Also, for the pennies they gave us to buy suckers with, for the jelly and for the nice playthings. We enjoyed their visit and hope they will all come back to see us again real soon.

Just think, here it is just about time for school to start. Mary Frances Morris, Jackie Porterfield, Rachel Bullard, Sylvia Sue Buie, Helen Barnes, Barbara Ann Bradshaw and Peggy Ann Collins will all start to school this year.

Ray Powell is the only one of us away on vacation. She went to visit her father in Whiteville for two weeks.

Lillie Bryant, one of our big sisters, is at camp this week. Janie Smith, our other big sister, and Katie Dunn, one of our little girls, will go next week. We all have a good time at camp.

Since we wrote you last, we have had another little girl to come live with us. She is Geraldine Kayton, five years old. We like her very much and hope she likes to live with us.

Barbara and Louise Bradshaw and Ray Powell have had visits from their people this month.

Those of us who have had vacations are: Jane Feimster, Loretta Young, Helen Barnes, Sylvia Buie, May Hilliard, Peggy Joyce Land and Lillie Bryant. They have all reported nice visits with their people.

Mama O'Kelly has returned from her vacation. While she was away Martha Adams stayed with us. We enjoyed having you stay wth us, Martha.

We wish to thank Mrs. John Wright, Mrs. Henry Shuford and little Ann Shuford from Statesville for the box of candy they brought us. We surely did enjoy it. We hope that sometime Ann will come back to see us and stay long enough to play with us some.

A few Sundays ago, Mr. Johnston came over and ask us to go over to his house. When we got there, we certainly had a surprize in store for us. Mr. Eddie Marks was there and gave all of us ice cream. We surely did enjoy it and thank you, Mr. Marks.

Well this is about all for this month but listen for us again in September, same time, same station.

So long.

—The Baby Girls.

HOWARD COTTAGE

Hello Friends,

This is the Howard Cottage girls back with you again.

Nearly all our girls have come back from their vacations. We are glad to have them back. In the last three weeks our Matron, Miss Burgess, Betty and Peggy Coffey, Evelyn Coats, Anne Wicker, Grace Morgan, Helen Vinson and Mattie Pearl Denson have all come back. We know they had a grand time.

Monday, the 11th, we had a circle from Mooresville to visit us and we had a grand time. Afterwards we had refreshments of ice cream, cookies and lemonade. We wish to thank the ladies very, very much.

Some of our girls went to camp this week. We know they will have a good time. The boys and girls that did not have a vacation are looking forward for the last camp which is the 18th of this month.

School will start soon and we will be glad. The girls here are from the third grade to the sixth in school.

We are looking forward to having Miss Burgess' father and brother come to see us Saturday.

We have had a visitor this week. She is Miss Burgess' niece, Clyde Mozell Burnett. We were very glad to have her with us.

There is a lady in the State Hospital at Morganton. She does beautiful handwork. She sent us a dollar and we are going to start some handwork real soon. Her name is Mrs. Winn. We want to thank her for what she has done for us.

The girls here at Howard Cottage wish to thank Miss Ann Fayssoux Johnston for helping us fix our cottage real attractive in the past two weeks.

Well folks we'll be back next month. So long.

—The Beanstringers.

Interesting Items From the Mailbag

The mail bag had many very interesting items for the Barium Springs people, and we're passing along some of them because we think that friends throughout the Synod will rejoice with us over these encouraging and gratifying happenings. So here goes with a few of them:

"Owing to very inclement weather on Sunday, July 6th, as well as a very small attendance - a possible aftermath of the Independence Day celebration - which we saw was going to work a hardship upon our dependent children at Barium, we resolved to combine the offerings of both the first and second Sundays of July for their benefit. The results are enclosed." That came from the Men's Bible Class of the Greensboro First Church and there were a couple of other instances almost similar to this.

This happened in the Men's Bible Class of the Rockingham Sunday School, whose treasurer wrote as follows: "Some of the members of the Men's Class of the Rockingham Church were absent last Sunday and did not get their donations in for Barium Springs but wish to make it now. 'Better late than never'." The supplementary gift was $5.00. We don't know how many men were involved in sending that $5.00, but it looks as if there might be a likelihood that they have a $1.00-per-month club in that Bible Class - men who pledge to give $1.00 on each Sunday when the response is taken for Barium Springs. The August gift from Rockingham Sunday School was a week late, being accompanied by this statement of the treasurer, "The Men's Class wanted this to wait until this week for some that were not there on August 3rd."

From Albemarle First Sunday School came a somewhat similar story. Here 'tis: "I am enclosing the Barium Springs money from the First Presbyterian Sunday School. So many were away from Sunday School the first Sunday that they decided to hold over so as to make up to the regular amount." As long as events like this one and the other two recounted above continue to occur, there aren't any disturbing qualms about the future welfare of the boys and girls at Barium Springs. Instances like the three mentioned are occurring frequently. The treasurers don't always write about them, but when there is a rainy day, an exceedingly hot Sunday, or a vacation period and the Offering holds up to the usual level, we know that somebody somewhere (and sometimes quite a few people are involved) are seeing to it that a generous support comes to this Home.

There's always a story in pictures. The cut used of the first graders last month meant $5.00 because of the attractiveness of the group. A friend in the eastern part of the state sent a check for that amount accompanied by the following letter: "I enclose herewith my check in a small amount which, subject to your approval and your discretion, I would like applied to buy candy or pencils and tablets or some little extra for the first graders whose pictures appear on the front page of the July issue of 'The Barium Messenger'. They are a fine looking group of children, and I wish I could see them for a little while." We wish this friend could see them, too. He lives about 250 miles from Barium Springs, but we hope sometime he'll come to see us and the children.

This leads into the revelation of something that happened on the campus at Barium Springs when a friend from another city came to see us with his Bible Class one day. The story was told us by the church secretary later on when we happened to be in the city from whence this gentleman had come to Barium. The church secretary said that he left his city with approximately $20.00 in his pocket and when he started the journey his interest in the family here was of a nominal nature. However, when he returned to his native city late that afternoon it is said that he had to borrow taxi fare money to get home (having made the trip in some one else's car) for he had been to Barium and during his rounds had left a bit here and another sum there until he had dispensed with all of his $20.00.

Synodical to Visit Barium

(Continued From Page One)

on October 21st and a meal with the family here. This is an additional part of the semi-centennial celebration of the Presbyterian Orphans' Home.

The Synodical was invited to hold its 29th annual meeting at Barium Springs, but the ladies said that it was enough to take care of the men this year and that their complete acceptance of the invitation would be deferred until later. However, the ladies are going to assemble in Charlotte and at a meeting of the Executive Board at Montreat in July, they accepted the invitation to spend part of one day here. The morning of October 21st is the time.

Arrangements will be made in Charlotte to transport all who can possibly come, a full inspection will be made of Barium Springs and they will have lunch with the family. They have been assured that it would be satisfactory for them to leave immediately after lunch in order to get back to Charlotte in time for an afternoon meeting. Officials at Barium Springs will be disappointed if all of the official delegates to the Synodical are not here on the 21st.

Mrs. C. E. Raynal, of Statesville, Synodical Orphanage Work Secretary, will work out details with officials here for the program of the day. Announcement of this will probably be made in the September issue of the paper.

"Where did you buy your link sausage?"

"At one of the chain stores."

Historical Sketch To Be Printed in Sept.

It Will Also Be a Pictorial Review of the Daily Life on the Campus at Barium

The press in the Sherrill Printing Office building at Barium Springs will hum in September as a historical and pictorial sketch of Barium Springs is issued in what is expected to be one of the most attractive and appealing booklets published by the local printing establishment. A great many pictures are now being taken by an experienced photographer and his instructions were to get human interest pictures and lay a minor stress upon displays of the buildings.

There has been no history issued of the Home here in a good many years and nothing of the type that will be published next month has ever been available for distribution. A special appropriation was made in the budget for this purpose this year, for it was felt that an attractive booklet should be issued during the semi-centennial year of the Home.

It is going to be so designed and written that it can also be used by the Auxiliaries of the Synod for their November meeting on Barium Springs. Only a short time is available each year to present the Home, and there is no special period of study covering several weeks. However, the history of Barium Springs could be appropriately studied by all of the Auxiliaries. A special set of questions will be prepared and sent to the local Orphanage Secretaries which could be used to constitute a quiz on the history and activity of this Home after the historical and pictorial book is reviewed.

Authorities expect to issue 10,000 of the books which will not only serve the needs of the current year but also for years to come. Each commissioner to the meeting of the Synod will be given a copy as a souvenir and which will be an appropriate and timely addition to the library of the individuals obtaining them. Any absentee ministers at Synod this year will be mailed a copy.

Miscellaneous Gifts Needed

When the treasurer of the Presbyterian Orphans' Home returned from his vacation in July, he found the following notation upon his desk from Miss Lulie E. Andrews, clothing secretary who receives and acknowledges gifts in kind:

"We have received less miscellaneous gifts this year than I have ever known. Usually we receive many towels, sheets, spreads, etc., but this year when we needed so many we have not had many sent in."

Miss Andrews knows whereof she speaks, for she has been connected with the Home here since 1924. Elsewhere in The Messenger will be found a list of sizes for sheets, etc. If you lose that list of sizes, go ahead and send your articles, for there's almost every conceivable size bed at Barium Springs since the family varies from tiny tots to big strong he-men.

News About Some of the Alumni

ENGAGEMENTS
Norris-Wilson

The Charlotte Observer of August 10th carried a picture of Lucile Norris, a 1938 graduate of Barium Springs, under which appeared the announcement of her engagement to Sergeant R. E. Wilson, now stationed at Fort Bragg but a native of Alamoosa, Colo. The wedding will take place this fall. Lucile has been a visitor to Barium Springs several times since she graduated, her last visit being at commencement.

MARRIAGES.
Jessup-Sloan.

Charles Claybourne Jessup, a 1937 graduate of Barium Springs, and Miss Nannette Sloan, of Walhalla, S. C., were married Friday, August 1st, at 12 o'clock noon at the South Carolina home of the bride. Both Mr. and Mrs. Jessup had been living and working in Charlotte, there they met each other. They are now residing in that city, though their street address is not known at Barium Springs.

Daniels-Harrison

Nan Stewart Daniels, an alumna of Barium Springs, of Charlotte, was married on Sunday, July 6th, to Lieut. Benjamin Stone Harrison, Rocky Mount native but stationed at Fort Benning, Ga. The wedding took place in the Presbyterian chapel at Montreat. After leaving Barium Springs, Nan attended Peace Junior College at Raleigh. Lieut. Harrison attended State College at Raleigh and was graduated from Clemson, where he obtained his commission. They are at home at 2814 Hamilton Rd., Columbus, Ga.

BIRTHS.

Mr. and Mrs. Willard Thompson, of Statesville, announce the birth of a daughter, Frances Diane, on July 9th. Mrs. Thompson is the former Bernice Stone.

PERSONALS.

Mrs. Minnie L. Winn (the former Minnie Lineberger who left Barium Springs in 1906 and who has been a patient at the State Hospital in Morganton for 25 years) recently sent a $1.00 gift to the girls at Howard Cottage, where she was staying when she left this Home. The girls at Howard decided that they would use the $1.00 for material for handcraft work in their cottage, making pocketbooks and knitting bags out of material. This was a voluntary decision on their part and will be pleasing to Mrs. Winn who spends her time doing beautiful handwork in crocheting, embroidering, quilting, etc.

Harley F. Carriker, of Charlotte, a Barium alumnus, has been made treasurer of the Huntington Bible Class of the Caldwell Memorial Church. This Class sends $300.00 a year to Barium Springs for the support of a boy here. In July, Harley sent the first $75.00 for the initial quarter and accompanied the check with the following comment: "I was proud to have been elected treasurer of my Class and I am also proud that my Class is able to pledge this $300.00 a year to Barium. I shall never forget my days spent at Barium. They are the happiest memories of my life. I am always proud to tell the world that I spent about ten years at Barium."

After completing their preliminary training at Norfolk, Va., Howard Beshears and James Dorton have been sent to the Trade School at the U. S. Naval Training School at Jacksonville, Fla. Howard is in Barracks No. 4 and Jimmy in Barracks No. 1. John Ellis was sent to the same training school some time ago and is in Barracks No. 11. Walter Motte is now undergoing a course of instruction in the Woodworkers School of the Navy, at Norfolk, Va., entering that school on July 14th. He is expected to graduate from it a Petty Officer in his chosen branch of the Navy.

Two Barium alumni happened to be in a delegation that visited Barium Springs on August 3rd from the George W. Lee Memorial Church in Winston-Salem. These were D. W. McIver, of 318 W. 27th St. Winston-Salem, and L. M. McMannon, of Rural Hall, which is near Winston-Salem. They are among the many former boys and girls returning to the campus here. Maybe the things we told the delegation that day was a familiar story to them.

"How did George break his leg?"

"Well, do you see those steps over there?"

"Yes."

"Well George didn't."

Prospects for Football Season Are Reviewed

Only Three Lettermen Lost By Graduation. - Should Have Good Team Here

It is mighty hot to be even thinking about football, but a bit of news about the 1941 gridiron season is beginning to creep into the sports pages of the newspapers. Before the next issue of The Messenger is issued, the 1941 edition of the Golden Tornado at Barium Springs will have played a couple of games, so it is fitting and proper that a picture of the possibilities of the approaching season be presented, as well as the complete roster of games to be played by the varsity.

On paper, the Barium Springs varsity is "in" for a football season that will again place it among the top ranking teams of North Carolina high school circles. It was rated high last year, having a season that would have been perfect except for a defeat by Lexington high. Another tough schedule is ahead of the Barium boys, who always play with a limited amount of reserves because of the small number of boys in the high school here.

Only three of the 16 lettermen will be absent when the roster is called for the first practice after school opens. Captain Arthur Roach and Henry Pittman, backfield men, and James Shroyer, end, finished their high school training last spring, leaving the coaches with an almost intact first-string line and only a couple of replacements needed in the backfield. Since six backfield letters were awarded, Coaches Calhoun and Jackins could still boast of a letterman backfield, though Roach and Pittman saw the greater amount of service in 1940.

Norman and Wadsworth are available at end; Burney, B. McCall and Beshears are the veteran guards; Bolton and Lindsey are the tackles; Parrish and Lewis are centers, and Fletcher, Gibbs, Williamson and Billings constitute the four backfield men. There will be newcomers from the 125-pound squad to give these men plenty of competition for the posts they hope to occupy during the season.

Morganton opens the schedule at Barium, on Sept. 19th, followed a week later when Barium plays its annual sensational game with Central high in Charlotte.

The full schedule follows:

Sept. 19.—Morganton at Barium.
Sept. 26.—(Night) Barium at Charlotte.
Oct. 3.—Barium at Mills Home.
Oct. 10.—Spencer at Barium.
Oct. 17.—Children's Home at Barium.
Oct. 24.—(Night) Barium at Gastonia.
Oct. 31.—Barium at Albemarle.
Nov. 14.—Lexington at Barium.
Nov. 21.—Salisbury at Barium.
Nov. 28.—Barium at Statesville.

State Highway Paints Fence Around Campus

"Don't you have a new fence at Barium Springs?" asked several of the recent visitors to the Home. The answer was negative, but they are informed that it had recently been painted by the State Highway Department, which is the official owner of the fence that borders the highway which passes through the center of the campus.

Not only was the fence painted by the highway department, but several days of work were previously involved in repairing the fence completely. This included a replacement of that part of it torn down when a car crashed through this spring and every bit of it was carefully examined and repaired where necessary.

When Highway No. 21 was paved in 1923, the state highway department erected this fence and also was responsible for the two underpasses used by the children. This was a safety measure and it has been responsible for the saving of an unknown number of lives. Had the boys and girls here had to cross this much-traveled highway, no doubt some fatal accidents and serious permanent injuries would have resulted.

Maybe the highway department heard that the Synod was going to meet at Barium Springs in September and wanted to do its part to make the campus look good for the gathering of this important body.

Another Year Passed With No

(Continued From Page One)

over eight years have passed since Harvey Lee Wilson's death, and that there has been but a single member of the family to die in a span of over 15 years.

There have been serious illnesses at Barium Springs during the past 12 months and there have been some accidents, though none of the latter were of an extremely serious nature. However, it is known here that all the precautions in the world cannot sometimes prevent fatal accidents, and so no human credit is being taken for the record. The humans who have had anything to do with the health of the children have been guided and directed by the Great Physician.

Just how long this record can continue, nobody knows, but it is the hope and prayer of the people at Barium Springs and elsewhere that this continues uninterruptedly. The annual health examinations will continue to be made; precautionary measures will be taken; there will be vaccinations, inoculations, etc., and officials, nurses, physicians and surgeons will continue to do their best in safeguarding the health of the children and in caring for them in time of illness and accident.

New Cottages Were Occupied

(Continued From Page One)

and Mrs. Homer Keever and their little girl are in another. The fourth apartment does not have a family in it, but is being used by some of the older boys who are monitors of that particular building.

One of the buildings is known as the Cannon Cottage, given by Mrs. Adelaide Cannon Blair, of Washington, D. C., in memory of her father and mother, the late Mr. and Mrs. J. W. Cannon; one is known as the Stultz Cottage, given by Mr. W. Z. Stultz, of Charlotte, N. C.; one is known as the Synodical Cottage (it may be later given another name by the Synodical), donated by the ladies of the Woman's Auxiliary of the North Carolina Synod, and the other is as yet unnamed since the parties responsible for it have not allowed their identity to be revealed.

Bronze tablets for three buildings have been ordered, and until these arrive and have been placed, the boys are calling them "Quad 1, 2, 3, and 4". When these tablets have been placed they will then know the name of their respective building. Bronze doorplates for the 27 rooms that have been furnished with $100.00 sums are also being prepared and slightly larger bronze plaques will soon be here for placement in each of the four living rooms that have been furnished with $200.00 amounts.

Visitors have been to Barium Springs since the buildings were occupied and all of them have been high in their praise. This will continue, and before this semi-centennial year is over it is felt that several thousand people will have made their inspection. Sidewalks have been laid in the court, with a small fish pond in the center of the court, but the beautifying of the grounds is going to be gradual and will require some time for the shrubbery to grow and in getting a pretty stand of grass.

July's Receipts Were of Encouraging Trend

Synod Is Now $930.04 Ahead of Gifts Received Here Through July of 1940

The discouragement over June's receipts from Synod was allayed in July, for the income of the recently ended month was gratifying. It was $570.88 greater than the reports from Churches, Sunday Schools and Auxiliaries in July, 1940, and for one-third of the semi-centennial year, Synod can boast of a gain of $930.04.

July's receipts were the best of any month so far. That is not a situation any different from normal, though, for after a quarterly period concludes many places file their initial reports of the year with the Home. The combined giving of Synod in April, May and June was $6,745.27, whereas $4,235.96 come in July alone. The grand total of the past four months is $10,981.23, which is about what it takes to operate Barium Springs in a single month.

The meagreness of receipts in the first part of the year is always a hardship, for some of the heaviest expenditures occur in the summer months That is when the annual repair program is in progress, and this is usually a good many thousands of dollars. Much of this is in labor costs and that is something that has to be paid immediately and cannot be postponed until the Thanksgiving Offering arrives.

Presbyteries seem largely to be grouped together in the table of receipts. Winston Salem and Mecklenburg have sent 16.4 cents and 16.1 cents, respectively, per member. Kings Mountain and Albemarle Presbyteries have respective averages of 13.8 cents and 13.2 cents. Concord and Orange each have 12.1 cents to their credit. Wilmington and Fayetteville are in the eight-cent classification with 8.1 cents and 8 cents, in that order. Granville Presbytery is by itself with an average of 7.7 cents per person.

Here is the lineup:

Presbytery	July Receipts Regular	Am't Rec'd Per Mem.	Total Per Mem. for Year
Winston-Salem	$226.55	4.3c	16.4c
Mecklenburg	1,416.28	7.6c	16.1c
Kings Mountain	335.14	5.4c	13.8c
Albemarle	198.32	5.1c	13.2c
Concord	497.24	3.9c	12.1c
Orange	488.93	3.5c	12.1c
Wilmington	373.74	4.4c	8.1c
Fayetteville	553.19	4.1c	8 c
Granville	146.57	2.2c	7.7c
Synod	**$4,235.96**	**4.7c**	**12.1c**

Sunday Schools have sent $5,247.51 of the grand total of $10,981.23 in the past four months, or a percentage of 47.8%; from Church budgets has come 35% or $3,838.82. The remainder, 17.2%, has arrived from Auxiliaries and was $1,894.90. The detail on the receipts is as follows:

Presbytery	Ch.	S. S.	Aux
Albemarle	$ 117.32	$ 248.50	$270.84
Concord	532.43	857.88	160.84
Fayetteville	205.59	793.26	124.65
Granville	102.48	226.26	189.85
Kings Mountain	48.68	657.06	151.15
Mecklenburg	1,555.34	1,152.74	313.23
Orange	463.34	799.45	445.47
Wilmington	342.55	265.67	82.86
Winston-Salem	471 09	246.69	156.05
Totals	**$3,838.82**	**$5,247.51**	**$1,894.90**

A farmer, in great need of extra hands at haying time, finally asked Si Warren, who was accounted the town loafer, if he could help him out.

"What'll ye pay?" asked Si.

"I'll pay what you're worth," answered the farmer.

Si scratched his head a minute, then announced decisively, "I'll be jiggered if I'll work for that."

Synod to Meet Here Next

(Continued From Page One)

camp, which has bunks to accommodate 80 people, and is eight miles away. There will be a doubling up of the Barium Springs' family, for the Woman's Building, the four new cottages and Jennie Gilmer Cottage will be used for housing the commissioners. Last time the Synod Infirmary was used, but children will be placed in that this time. In addition to those buildings, the private residences at Barium Springs will house a good many of the men.

Insofar as possible, the ministers and elders will be arranged in the various places by Presbyteries, which would make it convenient for them to have special call meetings of their respective territories. This frequently occurs, and the reception rooms in each building would be ideal places for such meetings. For instance, the lower floor of Woman's Building will be allotted one Presbytery; the second floor another; Jennie Gilmer a third, and each of the four cottages can take care of smaller Presbytery commissioners. This cannot be carried out entirely, but it will be to a certain extent.

Hogs and beeves for Synod's consumption were labeled a long time ago, and the meeting two weeks later than usual allows for a couple of extra weeks of fattening. The preparation of food for 350 extra meals three times a day for two days will be started several days before Synod arrives, and the installation of a new cold storage plant in the kitchen this summer will enable the food to be kept in good condition. A sight to behold would be to look into that large refrigerator and its many compartments just before Synod meets on the 23rd.

It is remembered here that on Synod's last eating with the Barium children that the family here and the ministers and elders, in two days', consumed four beeves, ten hogs, 20 lamb and 100 chickens. That was simply the meats and other things went along in the same proportion. Maybe the September issue of The Messenger will carry some details as to what amount of food was consumed by Synod, since the next issue of this paper will appear after Synod convenes at Barium Springs.

Synod's committee to plan the docket for the 128th session this year had not met when the August copy of the paper went to press; otherwise, this would be given in full in this issue.

It is repeated that this is a big undertaking, but it is going to mean a great deal to the Home here to have this important function in its semi-centennial year. It is believed that the ministers and elders will be able to get a greater insight into the Home than ever before because they will be on the campus entirely and will be able to go over the place to their heart's desire in between the regular sessions.

be as happy as I am at the completion of this undertaking.

Here's a bit of history:

A group of women from Concord Presbytery were assembled at Barium Springs for a day of prayer, on September 9th, 1938. Under the leadership of Mrs. Jones Yorke, of Concord, Presbyterial Secretary of Orphanage work at that time, a small section of the larger group earnestly discussed the need for replacing old Alexander Building - with a new and adequate cottage for boys. A voluntary offering of $13.65 was taken that day by that small group, and given to Mr. Milton to keep as a "nest egg" fund for the new building - the first of larger gifts to come. When Synodical's Executive Board met in the next summer, a fine committee was appointed by Miss Louise Clanton, president, so that plans immediately began to take form. To Miss Clanton's wise leadership, a great deal of the success of the campaign is due. The committee, on call of the chairman, met in Sanford, March, 1940. Plans were discussed to address all nine Presbyterials in that Spring. Her enthusiastic presentation of the need was so used and blessed that when each Presbyterial was asked to raise a given percentage of the $10,000 needed, the response was willing and generous, and so the house was built.

When Synodical meets in Charlotte this fall, delegates will have an opportunity to visit Barium Springs to see the building which has been completed and furnished through their gifts and the gifts of the women of our Auxiliaries. I know that you will join me in praying that always those boys who live within these walls, may fine blessing and happiness.

Sincerely yours,
(Mrs. C. E.) Margaret Raynal

county. He is married and they have a three-year-old daughter. They are occupying an apartment in one of the new cottages.

Miss Gaitley is a 1941 graduate of Flora Macdonald College, as was Miss Hunsucker, her predecessor, in the class of 1940. The Home Economics teacher had the highest recommendation of department officials of anyone finishing with that training at Flora Macdonald last June.

The music and second grade teacher, Miss McGoogan, finished at Brenau College, Gainsville, Ga., in 1940, and during the school session of 1940-1941 she remained at her Alma Mater under a teaching fellowship. In addition to directing grammar school music she will also be in charge of the choir at Little Joe's Church.

The entire teaching personnel this coming session will therefore be: First grade, Miss Theoria Straughn, East Spencer; second, Miss McGoogan; third, Miss Sadie Brandon, Yadkinville; fourth, Miss Margaret Bell, Decatur, Ga.; fifth, Miss Gladys Burroughs, Ila, Ga.; sixth, Miss Faye Stevenson, Statesville; seventh, Harry Barkley, who is also principal of the grammar school.

In the high school will be Mr. Calhoun, of Laurinburg, principal and teacher of geometry and Bible; Mr. Keever in French and English; Miss Gaitley, in Home Economics; Miss Reba Thompson, Danielsville, Ga., history, economics and civics; Miss Irene McDade, Lenoir, Latin and Mathematics; Mr. W. A. Hethcox, Mooresville, public speaking and all sciences, and Miss Laura Gray Greene, Wilkesboro, will continue to teach music, direct the musical abilities of all children so inclined, and play for church services and special events.

Marshall: "If you don't marry me, I'll take a rope and hang myself in your front yard."

Louise: "Ah, now Marshall, you know Miss Clark doesn't want you hanging around."
